Be a Special Olympics Game Changer for the chance to win great prizes!

The 2018 Special Olympics USA Games are coming to Seattle, July 1-6. The USA Games showcase the abilities of athletes with intellectual disabilities through world-class competition, inspirational experiences and inclusion for all.

On July 1, the Opening Ceremony will be held at Husky Stadium. Festivities include the Parade of Athletes, live music and entertainment by Allen Stone, Ann Wilson of Heart, Massive Monkees and more to be announced.

We are surrounded by unsung heroes who are creating communities where people with intellectual disabilities are meaningfully and fully welcomed, one act of inclusion at a time. Now, it's time to recognize them. Show your support by participating in our Game Changer photo contest for a chance to win a Holland America Line cruise for two or an Opening Ceremony prize package.
